

SAFETY PROTOCOLS FOR STUDIO 2

IF YOU FEEL SICK, PLEASE RESCHEDULE YOUR APPOINTMENT

The following guidelines are in accordance with government recommendations, & are in place for the safety of our customers & Crew.

If you're experiencing Covid19 symptoms (dry cough, fever, difficulty breathing), we'll reschedule your appointment.

All services are preferred by appointment (604-725-0542). Walk-ins will be booked appointments where available. All appointment timings will be staggered.

Maximum 6 retail shoppers and one piercing client at a time. Please wait outside the store if this limit is reached.

We provide hand sanitizer at our front door and a handwash station at the back. We encourage all our clients to use it.

It is required that all customers wear protective masks. If you do not have one, we'll provide one for you. Our piercers and Crew wear masks at all times.

At this time, we are not able to permit friends or family to accompany you into the piercing room.

Throughout the day, we will be disinfecting regular contact points (doorknobs, counters, light-switches, the POS station, etc.).

When a service is not in progress all clients, piercers and Crew are asked to maintain social distancing standards (**2 meters**).

New hours:

Monday - Saturday: 11am - 7pm

Sunday: 12pm - 6pm
