

# SAFETY PROTOCOLS FOR THE STUDIO

***IF YOU FEEL SICK, PLEASE RESCHEDULE YOUR APPOINTMENT***

**The following guidelines are in accordance with government recommendations, & are in place for the safety of our customers & Crew.**

If you are experiencing Covid-19 symptoms (dry cough, fever, difficulty breathing), we'll reschedule your appointment & apply your deposit to your next visit.

We are unable to accept walk in clients. All services are by appointment only (604-593-6633). All appointment timings will be staggered.

When you arrive for your appointment, please wait outside/in your car, and call us. We will invite you in once we are ready to greet you for your service.

We provide a handwashing station and hand sanitizer at our front door. We encourage all our clients to use it.

It is required that all customers wear protective masks. If you do not have one, we will provide one for you. All of our artists and Crew wear masks at all times.

At this time, we are not able to permit friends or family to accompany you into The Studio.

Upon arrival at the Studio, you will be asked to sign an affirmation form to ensure the safety of you, our artists and Crew.

Throughout the day, we will be disinfecting regular contact points (doorknobs, counters, light-switches, the POS station, etc.).

When a service is not in progress all clients, artists and Crew are asked to maintain social distancing standards (**2 meters**).

Clients with scheduled appointments are able to make in-store product purchases.

We are not able to offer walk-in retail shopping at this time. We offer free curbside pickup for same-day orders through our new online store.

At this time we are not able to offer oral piercings. This includes anything in or around the mouth.

We will be opening one hour later each day, to ensure full cleaning and sanitizing of equipment and facilities.
